FREE HEALTH CHECK UP CAMP

Dear Parents / Guardians,

Health is a positive state of well being, where every part of the body and mind is in harmony and in proper functioning balance with every other part. In other words, when every organ of the body is functioning normally, the state of physical well being is known as health. Health is that characteristic of life that enables a person to live longer.

With immense pleasure and pride we would like to inform you that Holy Family Hospital, New Delhi is organizing a Free Medical Camp at Don Bosco School on Sunday, 14th January, 2018 from 09.00 a.m. to 03.00 p.m.

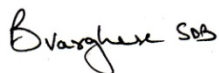

This can be a good time for you to ask the Holy Family Medical Team about your health or discuss any change or problem that you have noticed in your health.

The following tests can be performed during the physical examination:

- Cardiology Consultation
- Physician Consultation
- Blood Sugar Check-Up
- Blood Pressure Check-Up
- ECG (On Doctor's Advice)
- Eye Check-Up

We express our sincere appreciation and gratitude to Fr. George P. A., the Director and the entire team of Holy Family Hospital for this great initiative for the society.

We cordially invite you to avail this opportunity for the wellness check-up.

Fr. Babu Varghese SDB
Principal
