

## **Bosco-Career Aptitude Test**

**Don Bosco School, Alaknanda**

**4th December 2018**

---

**Objective:** Stream Selection after **class X** is like crossing the first hurdle towards your career planning. A Student has to take this crucial decision after knowing his/her aptitude and capabilities. Different fields/areas require different skills. So, before selecting a subject, a student must identify the areas in which she/he is strong and in which area improvement is needed.

**Eligibility:** All Students of Class X

**How is it Helpful for the students?**

The test will assist the students in **aptitude profiling** and **selection of subjects**.

**Venue:** School Auditorium
