3. WORDS AND EXPRESSIONS – I (WORKBOOK FOR CLASS IX) –

Units 1 to 6 and Units 8,10 & 11 NOTE: Teachers are suggested to:

- (i) encourage classroom interaction among peers, students and teachers through activities such as role play, group work etc.
- (ii) reduce teacher-talk time and keep it to the minimum,
- (iii) take up questions for discussion to encourage pupils to participate and to express their ideas and defend their views. Besides measuring learning outcome, texts serve the dual purpose of diagnosing mistakes and areas of non-learning. To make evaluation a true index of learners' knowledge, each language skill is to be assessed **through a judicious mixture of different types of questions.**
